17 April 2009

### **FAO: Arts, Geography, IT and DT Departments**

Dear Sir or Madam,

This is a reminder that the closing date for our EcoHome Design competition is on the 1st of May and we would be delighted if your school would partake.

Kind regards,

Elyse Doran.

### **Competition Details**

Back in February, The Renewable Energy Foundation invited you to participate in the 'My Dream EcoHome Competition' as part of the Royal Bath and West Show. The Renewable Energy Foundation is a registered charity that promotes the development of renewable sources of energy and energy conservation according to the principles of sustainability.

The competition is aimed at children aged between 7 and 11 at schools in the South West, and will be an entertaining and constructive opportunity to engage imagination and creativity in relation to a topic of great importance both within the curriculum and the wider world.

In the competition each child will enter a design for their own EcoHome which can then be sent or emailed to us here at REF. Every child who enters will be invited to a reception and prize giving at the Royal Bath and West Show on Saturday the 30th of May, where Noel Edmonds will present winners and runners up with prizes which include a bicycle and family tickets to the show.

Please find attached three pdf's:

1. An outline and brief
2. example submissions
3. an entry form and the terms and conditions of the competition.

To view the attached documents you will need pdf reader software, which you can download securely and for free at <http://www.adobe.com/products/reader/>

The attached documents will also shortly be posted on our website at [www.ref.org.uk](http://www.ref.org.uk)

If you have any queries or problems downloading the files, please call me on 0207 930 36 36.

We look forward to hearing from you soon and receiving your entries.
